SUMMARY

Senior Software Engineer & Full Stack Developer with over a decade of experience in designing, developing, and deploying scalable, secure, and high-performance software solutions. Successfully delivered 25+ enterprise-level projects serving 100,000+ users across web and mobile platforms. Expert in full-stack and backend development, system architecture, and cloud-based solutions using JavaScript, TypeScript, Python, Java, PHP, and frameworks such as React, Node.js, Laravel, and Flutter. Proven leader in Agile/Scrum environments, with a strong focus on clean architecture, performance optimization, and security best practices.

TECHNICAL SKILLS

Programming Languages

- JavaScript
- TypeScript
- Python
- Java
- PHP
- Node.js
- Ruby

DevOps & Cloud

- AWS
- CI/CD

Database Management

- MongoDB
- MongoDB

Web Development

- React
- Laravel
- Angular

API Development

- RESTful APIs

Version Control

- Git

Mobile Development

- Flutter
- Flutter

Microservices Architecture

- Microservices

PROFESSIONAL EXPERIENCE

Senior Software Engineer, Advanced Technology Company

Jan 2022 - Jan 2026

Riyadh, Saudi Arabia

-   Designed and developed scalable web and backend systems for enterprise clients.
-   Led a development team of 10 engineers across multiple projects.
-   Built and optimized RESTful APIs and microservices architectures.
-   Improved application performance by 45% through code and database optimization.
-   Implemented CI/CD pipelines, reducing deployment time by 40%.
-   Conducted code reviews and mentored junior developers.

KEY PROJECTS

Enterprise Content Management System (CMS)

miemo-master-mjgg1m.laravel.cloud/register

- Designed and developed a scalable CMS platform supporting 50,000+ active users, managing 120,000+ content records, implementing role-based access control for 10+ user roles, real-time analytics dashboards, and secure authentication, resulting in 35% faster content publishing and 40% improved system performance.

EDUCATION

Bachelor's in Software Engineering, King Saud University

2023 - 2025

Bachelor's in Computer Science, Al-Balqa Applied University

2017 - 2021

CERTIFICATIONS

- AWS Certified Solutions Architect - Amazon, Jan 2026 - Jan 2027

LANGUAGES

Arabic: Native

SOFT SKILLS

Analytical Thinking, Leadership, Teamwork, Problem Solving, Communication, Time Management, Mentoring

ANALYTICAL SKILLS

Analytical Thinking, Good problem solving skills, Root Cause Analysis, Data-Driven Decision Making, Logical Thinking, System & Performance Analysis

ACTIVITIES & MEMBERSHIPS

- Software Engineering Mentor (Future Developers Initiative)
- Saudi Computer Society (manager)
